9 holding current licensure in good standing from the Kentucky Board of Chiropractic Examiners;
10 and

11 ~~(b) [(2)] A~~~~[Maintaining a]~~ Maintaining a current certificate in good standing with an approved
12 allied animal health professional program designated in Section 3 of this administrative
13 regulation.

14 (2) For an AAHP equine dental provider (EDP) license:

15 (a) Certification from an IAED EPD educational program that held full or limited approval by
16 the IAED on the date when the applicant completed the educational program.

17 (b) A current certificate of good standing, and not solely membership, with an approved allied
18 animal health professional program designated in Section 3 of this administrative regulation.

19 Section 3. Approved allied animal health professional programs.

20 (1) For ACP programs, the~~[The]~~ board approves the allied animal health professional programs
21 ~~[for animal chiropractic practice]~~ on animals from the:

22 (a) ~~[(1)]~~ American Veterinary Chiropractic Association (AVCA);

23 (b) ~~[(2)]~~ International Veterinary Chiropractic Association (IVCA); or

1 ~~(c)~~~~(3)~~ An approved program of the AVCA or IVCA.

2 (2) For EDP programs, the board approves the allied animal health professional programs on
3 animals from the:

4 (a) International Association of Equine Dentistry (IAED) approved academic institutions as
5 listed on the association's publicly available website; or

6 (b) A similar professional organization with standards meeting or exceeding those of other board-
7 approved organizations, as determined by the Board.

8 Section 4. Continuing education required. As one part of the requirements for an allied animal
9 health professional license~~[permit]~~ to be granted and renewed, the AAHP provider shall provide
10 proof that the degree or certificate obtained from the approved allied animal health professional
11 program is in an active or current status with:

12 (1)

13 (a) The professional licensing board as required in Section 2(1) of this administrative regulation,
14 if applicable to the credential holder and required by the board; and

15 (b) The approved allied animal health professional program certifying entity identified in
16 Section 3 of this administrative regulation.

17 (2) At the time of application, the AAHP licensee~~[permittee]~~ shall show proof satisfactory to the
18 board that all continuing education requirements for these credentials have been met and are
19 current in accordance with 201 KAR 16:735, Section 2.

(1) Provide a brief summary of:

(a) What this administrative regulation does:

This administrative regulation establishes the allied animal health professional (AAHP) educational programs approved by the board.

(b) The necessity of this administrative regulation:

This regulation is necessary to establish required AAHP educational programs approved by the board and provide clarity to constituents regarding the requirements for licensure.

(c) How this administrative regulation conforms to the content of the authorizing statutes:

KRS 321.175(2)(c), (4) and (5) establish that the intent of the Kentucky Veterinary Medicine Practice Act is to regulate the professions of veterinary medicine, including the work of authorized allied animal health professionals. KRS 321.181(1)-(4) define key AAHP terminology. KRS 321.235(1)(a)-(c) and (2)(b)2 require the board to ensure the competence of credential holders and to administer credentialing programs to ensure competency to practice and to protect the public. This administrative regulation will assist in effective administration by clearly expressing what requirements have been established by the board. KRS 321.251 defines the allowable AAHP professions, including equine dental providers, and required licensure by the Board. KRS 321.253 requires AAHP providers to maintain and renew a license to provide AAHP services in the Commonwealth.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes:

This administrative regulation assists in effective administration by clearly defining which AAHP educational programs have been approved by the KBVE.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation:

This amendment updates the administrative regulation for conformity with Acts Chapter 87; changes the “permit” to a “license”; and defines educational requirements for the added AAHP equine dental providers (EDPs).

(b) The necessity of the amendment to this administrative regulation:

This amendment is necessary to establish conformity with Acts Chapter 87 and to define educational requirements for the added AAHP EDP applicants.

(c) How the amendment conforms to the content of the authorizing statutes:

KRS 321.175(2)(c) states the intent of KRS Chapter 321 is to regulate the professions of veterinary medicine, including work done by authorized allied animal health professional (AAHP) providers. KRS 321.175(4) states that regulation is necessary to protect the public and animals of the commonwealth. KRS 321.175(5) states that KRS Chapter 321 shall fully occupy the field of AAHP provider work on animals to be enforced by the Board. KRS 321.181(1)-(4) defines key terms related to AAHP providers. KRS 321.235(1)(a)-(c) requires the board to implement and enforce the chapter and to promulgate administrative regulations to do so. KRS 321.235(2)(b)2 allows the Board to establish minimum requirements for AAHP licensees. KRS 321.251 defines the allowable AAHP professions, including equine dental providers, and requires licensure by the Board. KRS 321.253 requires AAHP providers to maintain and renew a license to provide AAHP services in the Commonwealth.

(d) How the amendment will assist in the effective administration of the statutes:

This amendment will assist in effective administration by clearly expressing the educational requirements approved by the board for AAHP provider applicants.

(3) Does this administrative regulation or amendment implement legislation from the previous five years? This administration implements legislation by the General Assembly in Acts Chapter 95 in 2023 and Acts Chapter 87 in 2025.

(4) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation:

Future applicants to the board for an AAHP license. The board anticipates receiving approximately 45 initial applications for this credential under the new laws, and one-two (1-2) annually in future years.

(5) Provide an analysis of how the entities identified in question (4) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (4) will have to take to comply with this administrative regulation or amendment:

Applicants will be required to complete a board approved AAHP educational program within the approved scope for the AAHP work to qualify for licensure as an AAHP provider in Kentucky.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (4):

There will not be any additional costs to the applicant. This administrative regulation simply clarifies the minimum education requirements needed to obtain an AAHP license and provide public protection related to competency to preform services.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (4):

Applicants who complete the required AAHP education shall have met one (1) of the requirements of the board for licensure as an AAHP provider.

(6) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: Enforcement of this regulation will be accomplished using current funding.

(b) On a continuing basis: The KBVE expects that, on an ongoing basis, the agency will enforce the provisions of this regulation using the current funding available to the agency.

(7) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation or this amendment: KBVE does not receive any general funds. All funds for the agency come from application fees, service fees, and administrative fines.

(8) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: There is no anticipation of an increase in fees to implement this administrative regulation, as the KBVE is already running an administrative program to process applications and an enforcement program to ensure compliance.

(9) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This regulation does not establish or increase any fees, directly or indirectly.

(10) TIERING: Is tiering applied? Tiering is not applied because this administrative regulation applies to all AAHP applicants.

(1) Identify each state statute, federal statute, or federal regulation that requires or authorizes the action taken by the administrative regulation: KRS 321.175(2)(c), (4), (5), 321.181(1)-(4), 321.235(1)(a)-(c), (2)(b)2, 321.251, 321.253

(2) State whether this administrative regulation is expressly authorized by an act of the General Assembly, and if so, identify the act: This administration is expressly authorized by the General Assembly in Acts Chapter 95 in 2023 and Acts Chapter 87 in 2025.

(3)(a) Identify the promulgating agency and any other affected state units, parts, or divisions: The promulgating agency is the Kentucky Board of Veterinary Examiners. There are no other affected state units, parts, or divisions.

(b) Estimate the following for each affected state unit, part, or division identified in (3)(a):

1. Expenditures:

For the first year: The KBVE expects that it may enforce this provision of its regulations using existing fund available to the agency in the first year.

For subsequent years: The KBVE expects that, in subsequent years, the agency will enforce the provisions of this regulation using the funding available to the agency.

2. Revenues:

For the first year: There is no revenue generated by this filing.

For subsequent years: There is no revenue generated by this filing.

3. Cost Savings:

For the first year: There will be no cost savings; this administrative regulation simply codifies educational requirements for persons applying for an AAHP license, making them easily accessible for regulated entities.

For subsequent years: There will be no cost savings; this administrative regulation simply codifies educational requirements for persons applying for an AAHP license.

(4)(a) Identify affected local entities (for example: cities, counties, fire departments, school districts):
KBVE does not anticipate that any local entities will be impacted.

(b) Estimate the following for each affected local entity identified in (4)(a):

1. Expenditures:

For the first year: N/A

For subsequent years: N/A

2. Revenues:

For the first year: N/A

For subsequent years: N/A

3. Cost Savings:

For the first year: N/A

For subsequent years: N/A

(5)(a) Identify any affected regulated entities not listed in (3)(a) or (4)(a): KBVE does not anticipate that any other regulated entities will be impacted.

(b) Estimate the following for each regulated entity identified in (5)(a):

1. Expenditures:

For the first year: N/A

For subsequent years: N/A

2. Revenues:

For the first year: N/A

For subsequent years: N/A

3. Cost Savings:

For the first year: N/A

For subsequent years: N/A

(6) Provide a narrative to explain the following for each entity identified in (3)(a), (4)(a), and (5)(a):

(a) Fiscal impact of this administrative regulation: This administrative regulation does not set fees and will not bring in revenue. This filing only impacts individuals seeking a license to practice as an AAHP provider in Kentucky.

(b) Methodology and resources used to reach this conclusion: Budget reports and licensure reports were inputted into a large spreadsheet to calculate all board revenues, expenditures, proposed fees, and estimated quantities of applications based on historical numbers. Projections were calculated ten (10) years out to F.Y. 2036.

(7) Explain, as it relates to the entities identified in (3)(a), (4)(a), and (5)(a):

(a) Whether this administrative regulation will have a “major economic impact”, as defined by KRS 13A.010(13): This administrative regulation shall not have a “major economic impact”, as defined in KRS 13A.010(13). This administrative regulation does not set fees and will not bring in revenue.

(b) The methodology and resources used to reach this conclusion: This amendment will not have a negative impact, as no fees are established or collected as a part of this administrative regulation.
