### KBVE Education and Outreach Meetings on Allied Animal Health Professional (AAHP) Provider Applicants

The Kentucky Board of Veterinary Examiners (KBVE) is conducting education and outreach meetings regarding the Allied Animal Health Professional (AAHP) provider licenses established in [23RS HB 167](#) and [25RS SB 69](#).

KBVE offers two (2) AAHP license types.

- **AAHP – Animal Chiropractic Provider (ACP)**
- **AAHP – Equine Dental Provider (EDP)**

In order to offer these veterinary services in Kentucky, AAHP providers must hold a license in each area of practice for which they offer services. Generally, any other veterinary services offered outside of the strict scope of practice allowable to AAHPs requires a veterinarian license.

For basic information about qualifications for licensure, visit KBVE's [Prerequisites for Licensure Page](#) online at <https://kbve.ky.gov/>. Each license type also offers a legacy / grandfather pathway application window that is open for a limited time and requires extra documentation to be submitted with the application for evaluation.

The outreach meeting will cover options for licensure, including the legacy pathway requirements; allowable scope of practice for each provider type, CE requirements, and more.

Date & Time	Location	RSVP or Questions
3/31/2026 @ 3:00 PM EDT	KBVE 4047 Iron Works Pkwy, Suite 104 Lexington, KY 40511	<a href="mailto:Vet@ky.gov">Vet@ky.gov</a>

Please RSVP to [Vet@ky.gov](mailto:Vet@ky.gov).

Questions about future trainings should be directed to [Vet@ky.gov](mailto:Vet@ky.gov).
