**Kentucky State Jurisprudence Exam for
Allied Animal Health Professional (AAHP) - Equine Dental Provider (EDP)
Licensure Applicants**

Instructions: Submit ONLY the State Exam Answer Sheet with the Application for AAHP Licensure.

1. KRS 321.175 (4) states the purpose of the Kentucky Veterinary Medicine Practice Act is to promote, preserve, and protect the public health, safety and welfare by and through, in part, setting appropriate education requirements for allied animal health professional (AAHP) providers.

TRUE or FALSE

2. The following information shall be included in an AAHP provider's medical records for each patient:
- A. Brief history of the condition of each animal.
 - B. AAHP provider's findings and observations.
 - C. Plan for services, including expected duration and frequency.
 - D. Notations related to the services provided and offered.
 - E. All of the above.
 - F. Both B and C.

3. The only Board-approved programs for EDP education are those academic programs reviewed and endorsed by the IAED as listed on association's website at <https://iaedwebsite.com/schools>.

TRUE or FALSE

4. Which of the following is considered a violation of the confidential relationship between the AAHP EDP licensee and client?
- A. Consulting with another EDP licensee for the benefit of the patient.
 - B. Consulting with a veterinarian for the benefit of the patient.
 - C. Sharing medical records publicly for educational purposes.
 - D. Providing copies of medical records to KBVE in response to a grievance or inquiry.
 - E. Providing copies of medical records to the Office of the State Veterinarian in the case of reportable diseases.

5. AAHP-EDP Renewal Applications bearing a postmark between October 1 and November 30 shall be considered late and therefore incur a late fee pursuant to 201 KAR 16:513.
TRUE or FALSE
6. An AAHP-ACP licensee or other credential holder has the right to refuse to participate in the investigation of a grievance.
TRUE or FALSE
7. Medical records must be maintained both electronically and in writing.
TRUE or FALSE
8. Which of the following does **NOT** fall within the scope of practice for an AAHP-EDP licensee?
- A. Removing sharp enamel dental points.
 - B. Removing small dental overgrowths;
 - C. Rostral profiling of the first cheek teeth.
 - D. Reducing incisors.
 - E. Extracting loose, deciduous teeth.
 - F. Removing supragingival calculus.
 - G. Extracting loose, mobile, or diseased teeth or dental fragments with minimal periodontal attachments by hand or with the use of an elevator.
 - H. Removing erupted, nondisplaced wolf teeth.
 - I. Providing drugs to the client for continued treatment of the equine patient.
 - J. Items D and E.
 - K. Items G and I.
9. A “legacy pathway” to obtain an AAHP-EDP license is a time-limited application route for candidates who qualify for a license through an alternate route pathway which includes at least five (5) years’ experience, on-the-job-training, and letters of support from at least two (2) veterinarians, and letters of good standing from any other jurisdictions in which the applicant holds or previously held another AAHP-type credential.
TRUE or FALSE
10. An AAHP-EDP legacy candidate whose license has been expired for greater than five (5) years shall be required to meet the current requirements of 201 KAR Chapter 16 and shall not be eligible to apply for a new license under the legacy candidate pathway.
TRUE or FALSE
11. An AAHP-EDP licensee who fails to complete the renewal process and whose license has expired may continue to practice as an AAHP in Kentucky, provided they apply for reinstatement as soon as they realize their mistake.
TRUE or FALSE

12. For AAHP EDP licensees, the dental chart shall include:
- A. A disclaimer stating that the services provided are not inclusive of a veterinary oral exam and are ancillary to veterinary services.
 - B. Notes of observations made.
 - C. If sedation is administered, the drug name, amount, time, and route of administration.
 - D. A checkbox for veterinary referral if the AAHP-EDP determines need for additional veterinary attention for the patient.
 - E. All of the above.
13. An AAHP-EDP may only administer drugs to an animal patient under the indirect supervision of a veterinarian with a current VCPR with the patient.
TRUE or FALSE
14. Continuing education (CE) hours earned in excess of the requirement may be carried over into the next renewal period.
TRUE or FALSE
15. A medical record must be completed with ____ hours of services provided to the patient.
- A. Twenty-four (24)
 - B. Thirty-six (36)
 - C. Forty-eight (48)
 - D. Seventy-two (72)
16. The AAHP-ACP license renewal requires six (6) hours of continuing education (CE) annually. The required annual CE topics include:
- A. Clinical topics in the AAHP area of practice.
 - B. Practice management.
 - C. Wellness.
 - D. Board meeting attendance.
 - E. All of the above.
 - F. Only A and D.
17. Before an EDP student begins learning under the supervision an AAHP-EDP licensee in the Commonwealth, they must be registered with KBVE by the supervising veterinarian.
TRUE or FALSE
18. An AAHP-EDP license holder's annual CE shall be audited by the Board every year.
TRUE or FALSE

19. The AAHP-EDP license renewal requires continuing education (CE) annually. Equine Dental Providers may obtain **equine dental focused CE** from the following approved providers:
- A. The International Association of Equine Dentistry (IAED) annual conference.
 - B. American Veterinary Medical Association (AVMA) or its affiliate organizations as listed on the AVMA website.
 - C. Veterinary Dental Forum.
 - D. American Association of Equine Providers (AAEP).
 - E. American Association of Veterinary State Boards (AAVSB) Registry of Approved Continuing Education (RACE).
 - F. Board approved CE as listed on the KBVE website.
 - G. All of the Above
 - H. Only A, B, and F.
20. AAHP licensees must apply for and maintain an AAHP Facility Registration for their premises or mobile unit.
- TRUE or FALSE
21. An AAHP licensee is required to notify the Kentucky Board of Veterinary Examiners (KBVE) of all of the following within thirty (30) days **EXCEPT**:
- A. Change of email address.
 - B. Change of physical address.
 - C. Change of legal name.
 - D. Change in employment status.
 - E. Disciplinary action or conviction in any jurisdiction.
22. The Kentucky Veterinary Medicine Practice Act (KRS Chapter 321) defines different levels of supervision. In all cases, the veterinarian who provides supervision must have a current, established VCPR with the patient (KRS 321.185 – Veterinarian-client-patient relationship (VCPR)). Which type of supervision is required for an AAHP-EDP to practice on animal patients in Kentucky?
- A. Immediate supervision – The supervising veterinarian is physically in the immediate area and within audible and visual range of the patient and the individual treating the patient.
 - B. Direct supervision – the supervising veterinarian is readily available on the premises where the patient is being treated.
 - C. Indirect supervision - the supervising veterinarian need not be on the premises but is readily available for communication.
 - D. There is no requirement for veterinarian supervision of AAHP-EDP providers.
23. An AAHP-EDP licensee may extract loose deciduous teeth from an equine patient only without the use of an elevator.
- TRUE or FALSE

24. AAHP licensees are not required to maintain medical records for animal patients provided they communicate all findings to the patient's veterinarian.
TRUE or FALSE
25. The Board shall not renew the license of any person who fails to appropriately document the required hours of continuing education (CE).
TRUE or FALSE
26. An AAHP-EDP may only administer drugs to an animal patient with the permission of the client, which must be documented in the patient record.
TRUE or FALSE
27. An allied animal health professional licensee shall be held to the same standard of care as a veterinarian when the provider performs procedures allowed by the scope of work.
TRUE or FALSE
28. Patient medical records shall be maintained for a period of how many years past the date of last patient encounter?
A. Two (2)
B. Three (3)
C. Five (5)
D. Seven (7)
29. AAHP-EDP renewal applications must be time-stamped or postmarked no later than September 30 to be considered received on time.
TRUE or FALSE
30. The late fee for biennial renewal for AAHP licensees shall be \$300 in addition to the renewal fee.
TRUE or FALSE
31. When correcting a medical record, the original content should be readable, and the alteration shall be clearly identified with which of the following:
A. The correction.
B. The reason for correction.
C. Date.
D. Author's name.
E. All of the above.

32. Failure to appear before the Board or to provide information as requested may result in disciplinary action by the Board.

TRUE or FALSE

33. An AAHP licensee shall not violate the confidential relationship between the licensee and the client except as allowable by KRS 321.187.

TRUE or FALSE

34. For AAHP-EDP licensees, indirect supervision by a veterinarian is mandated. While this type of supervision does not require the veterinarian to be present during the provision of services, this supervision does require that the veterinarian be quickly and easily available by phone or text.

TRUE or FALSE

35. The following information shall be included in an AAHP-EDP's medical records for each patient:

- A. Identity of the animal patient, including name, age, sex, and breed.
- B. Name, address, and telephone number of the animal patient's veterinarian.
- C. Name of the AAHP-EDP providing service to the patient.
- D. All of the above.
- E. Only A and B.

36. The dental chart may comprise the medical record, providing it contains all required information.

TRUE or FALSE

37. Following the provision of services to an animal patient and client, the AAHP-EDP licensee has _____ business days to communicate the results of services, including any findings or concerns, to the patient's veterinarian.

- A. One (1)
- B. Three (3)
- C. Five (5)
- D. Seven (7)

38. After providing services to an equine animal, an AAHP-EDP licensee must make a copy of the dental chart available to the veterinarian who holds the VCPR for that client / animal within three (3) business days of the date of services.

TRUE or FALSE

39. The Board may consult with the AAHP Advisory Committee for professional expertise in the areas of practice during the investigation of a grievance case.

TRUE or FALSE

40. If sedation is administered as allowable by the client or supervising veterinarian, the medical record must include documentation of:
- A. Drug name.
 - B. Amount of drug administered.
 - C. Time of administration.
 - D. Route of administration.
 - E. All of the above.
41. The AAHP-EDP license renewal requires annual continuing education (CE) hours, and ____ CE hours must be earned in a live/in-person format:
- A. One (1)
 - B. Two (2)
 - C. Three (3)
 - D. Six (6)
42. Applicants for an AAHP-EDP license shall be required to achieve a score of 90% or higher on the Kentucky Board of Veterinary Examiners Jurisprudence Examination.
TRUE or FALSE
43. On-time AAHP Facility renewals are due no later than September 30 of every odd-numbered year.
TRUE or FALSE
44. The grievance case process followed by the Board is located in which regulation?
- A. 201 KAR 16:513
 - B. 201 KAR 16:610
 - C. 201 KAR 16:702
 - D. 201 KAR 16:731
 - E. 201 KAR 16:737
45. During a facility inspection or investigation, the Board or its designee shall be provided unrestricted access to animal use areas
TRUE or FALSE
