Approved Euthanasia-by-Injection (EBI) Training Courses To Meet the KBVE 16-hour course requirement

All "Euthanasia-by-Injection" (EBI) courses listed here are approved by the Kentucky Board of Veterinary Examiners to satisfy the requirements of the 16-hour euthanasia-by-injection training needed for licensure as an Animal Euthanasia Specialist (AES) in Kentucky, pursuant to 201 KAR 16:560. **The course offering must be entirely in person to qualify for approval by the KBVE.**

Sponsor / Provider	Contact
Illinois Animal Welfare Federation (IFHS) – KBVE contract provider of the EBI course	https://iawf.wildapricot.org/training
Louisville Metro Animal Services	Authorized for internal staff training only

Only individuals who are employed by a KBVE-certified Animal Control Agency (ACA) should apply to attend a course. All other animal euthanasia in Kentucky must be performed by a licensed veterinarian or by a licensed veterinary technician (LVT) under the direct supervision of a licensed veterinarian.

KBVE contracts with the **Illinois Federation of Humane Societies (IFHS)** to offer EBI trainings around the Commonwealth on a regular basis. Upcoming workshops will be announced on this page.

- **August 15-16, 2024**

Lexington Humane Society
1600 Old Frankfort Pike
Lexington, KY 40504

Registration for the course shall be available online at <https://iawf.wildapricot.org/training> or download a registration form there and send in a check. Questions about this specific training should be sent to training@iawf.net, or call trainer Lauren Malmberg at 309-446-3546.

Questions about future trainings, any need to attend an EBI training, or offers from KBVE-certified ACAs to partner and host a training should go to Vet@ky.gov.
